@OttawaPolice I see nothing in response to this massive convoy of trucks on its way to parliament. Can you fill the public in on how you plan to stop potential violence and a repeat of January 6 2021 on Capitol Hill?

So what happens when the truckers give us our own Capitol Hill riot, after everyone from @jkenney to @erinotoole to anti-vaxxers galore support them?

... our premier is giving the rally inappropriate support.. we need calm leadership... not sensationalize rebellious actions... most Albertans are vaccinated (90%), most truckers are vaccinated (85%).. our premier is supporting a rebellious minority ..

We should ask the city, police services and province how they are going to prevent a Jan. 6? I live in Ottawa. I don't want those involved in the #FluTruxKlan to wreck my city. @JimWatsonOttawa @ctvottawa @CBCOttawa @cmckenney @OttawaPolice @OPP_ER @rcmpgrcpolice @Nat_Div_RCMP

Hey boys, I'm just a nobody from toronto but I have something important I want to say to you. When the convoy arrives, (which has nothing to do with me, Im just a spectator) I would like you to remember something. Id like you to remember that the same government that has stolen the rights of the people in this country is the same government that wants to defund the police. Please review the laws on peaceful protest and dont be bullied into doing anything that you know in your heart is wrong. These convoy people are the ones obeying the law and the government is the one breaking it. They were your supporters and they are still your supporters because they believe in the rule of law. Stand for humanity, before the government takes your jobs away too. Thank you for your service. We believe in your goodness.

.@OttawaPolice say it has received a direct threat from a counter protester group to the #FreedomConvoy2022 in the last 24 hours to the safety of its officers and to the facilities they and civilian members work in.

I said yesterday that @OttawaPolice had their own anti vax movement and that they would be providing protection for the truckers.

This is a convenient threat to justify them backing the truckers.

Canadians set off fireworks last night as the truck convoy passed in protest against vaccine mandates and COVID restrictions. At over 70km long, Canada's convoy shatters the prior world record for longest truck convoy ever recorded.

I'm very proud to announce that [REDACTED] will be offering FREE take out meals to ALL truckers in the Convoy to Ottawa 2022 this weekend from Thursday to Saturday during operating hours! Our industry has been pummeled, and just when you think you're getting up off the mat, they kick you again!

When I came up with this initiative, not one of my partners balked at the idea, even though we've barely pulled a dollar out of our once lucrative business in 2 years now! It brought a tear to my eye!

Thank you to the truckers for fighting for our freedom, thank you to our community for all of your support through this, thank you to our staff that have stuck it out through thick and thin, and if you eat today, thank a trucker!
